

Personal Learning Device (PLD) Initiative

Mdm Quek Liza
HOD/ICT

A PRESENTATION BY
MINISTRY OF EDUCATION,
SINGAPORE

The National Digital Literacy Programme and the PLD Initiative

An Overview

The National Digital Literacy Programme (NDLP)

1. The NDLP was launched in March 2020 to **make digital learning inclusive by equipping students with the digital skills** to be future-ready.

1. Under the NDLP, every secondary school student will **own a school-prescribed personal learning device (PLD)**. Students may use funds from their Edusave Account to pay for the PLD.

Intended Outcomes of the PLD Initiative

The use of the PLD for teaching and learning aims to:

**Support the
Development of
Digital Literacy**

**Support Self-Directed
and Collaborative
Learning**

**Enhance Teaching and
Learning**

Learning with a PLD

Westwood Secondary School

How will your child/ward use the PLD?

At Westwood Secondary School, your child/ward will be using the PLDs for...

- In and out of class learning to promote active learning and greater personalisation
- Learning of curriculum subjects independently or collaboratively
- Home-based learning
- Access digital resources on Student Learning Space (SLS) platform and other digital platforms to enhance their learning
- Create digital artefacts for school projects/assignments
- Make use of digital tools such as calendaring and note-taking applications to enhance their personal productivity

Supporting Students in the Safe and Effective Use of the Devices

Supporting Students in the Safe and Effective Use of the Devices

The school has measures in place to enable a safer digital environment for learning with the use of PLDs, e.g.

- Classroom management and routines
- Educating students on Cyber Wellness
- Partnering parents/guardians to ensure that students are well-supported in their use of technology for learning
- Device Management Application (DMA)

Classroom Management and Routines

- Students are responsible for the security and care of their PLD.
- Students have to bring their PLD to school everyday.
- Students have to charge the PLD at home on a daily basis.
- Lockers will be provided for students in the classrooms to store the PLDs securely when not in use.
- Teachers will use the Device Management Application (DMA) during lessons to manage students' PLDs.
- Establish a set of guidelines for acceptable and appropriate usage of PLD using the Acceptable Use Policy (AUP).

Cyber Wellness Education

MOE has made significant changes to the Character and Citizenship Education. Cyber Wellness lessons will feature significantly in the CCE2021 lessons.

Topics covered in the Cyber Wellness lessons include:

- Cyber Use
- Cyber Identity
- Cyber Relationships
- Cyber Citizenship
- Cyber Ethics

In addition, through various programmes in school, students will continue to learn to be respectful, safe, and responsible users of technology.

Parents' / Guardians' R

- We would like to partner parents/guardians to ensure that students are well supported in their use of technology for learning.
- As parents/guardians, you can help in the following ways:
 - Model good digital habits for your child/ward e.g. parents/guardians not using devices during family meals.
 - Know your child/ward well, and have conversations with your child/ward about safe and responsible use of technology.
 - Set ground rules for internet/device usage.
 - Guide your child/ward to use productivity tools using his/her PLD, to organise information and simplify tasks for efficiency.

Role of the DMA in Providing a Safer Digital Environment for Learning

Device Management Application Installation

- Your child's/ward's PLD will be installed with a Device Management Application (DMA) to provide a safer digital environment for learning.
- Installation of the DMA will be performed after the collection of the device. Students will be guided on the installation.
- This applies to both devices purchased through the school and pre-existing student-owned devices.
- The DMA will be **funded by MOE** and will be **uninstalled** from the device **when your child/ward graduates/leaves the school.**

In-School DMA Settings (Default)

Schools will determine DMA settings for **in-school use**. As a default, these settings will continue to be in place after school as well:

- MOE and the school will set the level of web content filtering, including filtering out objectionable content or content that may not be conducive to teaching and learning (e.g. social media, pornography, gambling, or websites containing extremist content)
- Students will be able to use the device from 6.00 a.m. to 6.00 p.m. daily
- The school will determine the apps and programs to be installed to support teaching and learning

Providing Parents/Guardians with Greater Choice for After-School PLD Use

The school will provide parents/guardians with more information on exercising the choice

Default	Option A	Option B
<p>In-school DMA settings will continue after school hours</p>	<p>Parents/Guardians can modify the DMA settings after school hours</p>	<p>Parents/Guardians can choose to disable DMA after school hours</p>
<p>For parents/guardians who want their child’s/ward’s use of the devices to be restricted only to teaching and learning, and prefer to leave it to the school to decide on DMA settings after school hours.</p>	<p>For parents/guardians who want more leeway over the use of the device, and prefer to take charge of the level of restrictions for their child’s/ward’s use of the device after school hours.</p>	<p>For parents/guardians who do not want their child’s/ward’s use of the device to be regulated by DMA after school.</p>

- Having default school settings continue after school hours is the best option for parents/guardians who prefer not to, or do not feel ready to manage their child’s/ward’s device use on their own.
- Parents/guardians can request to change their choice of DMA settings at any time.

Providing Parents/Guardians with Greater Choice for After-School PLD Use

	Default	Option A	Option B
Protecting students from objectionable content	MOE/school sets level of web content filtering	Parents/Guardians can apply additional content filtering	No content filtering
Reduce distractions from learning through control of applications	Parents/Guardians and students <u>unable</u> to install additional applications	Parents/Guardians and/or students can install applications after school hours, but these applications are disabled during school hours	
Limit screen time	School sets hours during which students are able to use the device online	Parents/Guardians can modify the amount of screen time*	No control over screen time

*Screen time limits set by the school will override parents'/guardians' settings during school hours.

Providing Parents/Guardians with Greater Choice for After-School PLD Use

	Default	Option A	Option B
Parent/guardian account	Provided to allow monitoring of PLD activities after school hours		Not provided
Monitor students' cyber activities	Parents/Guardians can track their child's/ward's browser history after school hours		<p>Parents/Guardians will not be able to monitor or control their child's/ward's use of the device through the DMA after school hours</p> <p>No data* will be collected during use of PLD after school hours</p>

Deciding on the Choice of After-School DMA Option

Parents/guardians may wish to consider the following questions before deciding on the choice of after-school DMA option which is best for your child's/ward's learning.

1. Child's/ward's current device usage habits

- How much time does my child/ward spend on their device?
- How well is my child/ward able to regulate their device usage on their own?
- Does my child/ward get easily distracted while doing online learning?

2. Parents'/Guardians' involvement

- How confident and familiar am I with managing my child's/ward's cyber wellness?
- Are there existing routines and open conversations on the use of the Internet at home?
- Am I aware of how to prevent different types of cyber threats that my child/ward might face?

Have a conversation with your child/ward to talk about their device usage habits and how to prevent different types of cyber threats that they might face while learning.

Data Collected by the DMA

The DMA does **NOT** collect any of the following data:

- Login IDs and passwords entered into websites or into any applications
- Actions performed (e.g. posts, online comments, items added to a shopping cart, etc.) when visiting websites and using apps
- Documents and photos stored in the PLDs
- PLD location
- Webcam videos and microphone recordings

Additional Resources for Parents

To support you in keeping your child/ward safe online, you may refer to these additional resources:

- Parent Handbooks (I) and (II) on Learning with a Personal Learning Device (shared by the school)
- Parent Kit on Cyber Wellness for Your Child (<https://go.gov.sg/moe-cyber-wellness>)
- Schoolbag article 'Keeping our teens safe online' (<https://www.schoolbag.edu.sg/story/keeping-our-teens-safe-online>)
- MOE Cyber Wellness Programme (<https://www.moe.gov.sg/programmes/cyber-wellness/>)
- Media Literacy Council (<https://go.gov.sg/better-internet-sg>)
- National Library's Learning & Information Literacy Resources (<https://sure.nlb.gov.sg/>)
- TOUCH Community Services (<https://help123.sg>)

Device and Funding Information

Westwood Secondary Sc

The school will be using the **Acer Chromebook Spin R752TN** for teaching and learning.

Total cost with GST: **\$490.00**

Device Specifications:

- Intel Celeron N4120 processor
- 8GB RAM, 64GB Storage
- 11.6" touch screen

Chromebook Convertible can be used as a laptop, tablet, stand or tent.

Westwood Secondary Sc

**Acer Chromebook Spin
R752TN**

The school chose the device because of:

- Affordability (minimise cash out-of-pocket)
- Durability (Military Grade)
- Battery life (approx 10 hrs)
- Portability (1.25 kg)
- Fast boot up time
- Apps and web-based apps for T&L
- Touch screen and inking function

PLD Bundle

Device Bundle includes

- Acer Chromebook Spin R752TN
- Accessories (Power Adapter, Mouse, Stylus, Carrier Bag)
- Insurance and Warranty

Your child's/ward's PLD will come with the **Enhanced Device Bundle** which includes:

- 3-year warranty and 3-year insurance
- 2 repairs or 1 replacement claim

Funding Support for Singapore Citizen (SC) Students

- **The cost of the device bundle can be paid using your child's/ward's Edusave account**, after setting aside provision for payment of second-tier miscellaneous fees.
- To ensure the affordability of devices, MOE has provided Edusave top-ups of \$200 in 2020 and \$200 in May 2021 (as part of the Household Support Package announced in Budget 2021), to all eligible SC students in primary and secondary schools.
- This is on top of the annual \$290 credited into the Edusave account for Secondary School students and \$230 for Primary School students.

Funding Support for Singapore Citizen (SC) Students

- For SC students who are on MOE Financial Assistance Scheme or whose family's monthly income meets the following criteria:

Gross Household Income (GHI) \leq \$2,750, or

Per Capita Income (PCI) \leq \$690

the school will subsidise 50% of device bundle cost or \$350, whichever is lower.

- The remaining amount will be payable from the students' Edusave account. If there is insufficient balance in the students' Edusave account for the remaining amount, school will provide additional subsidy so that the cash out-of-pocket (OOP) is \$0.

Funding Scenario: Student A (SC)

**Acer Chromebook
Spin R752TN
\$490.00**

Student A (SC on MOE FAS) GHI ≤ \$2,750 or PCI ≤ \$690	
Device Bundle Cost	\$490.00
Student Subsidy	\$245.00
Available Edusave Balance <i>(After setting aside for 2 tier misc fees)</i>	\$200.00 before deduction \$200.00 will be deducted
Additional Subsidy	\$45.00
Cash Out-of-pocket	\$0.00

For more details on financial assistance, please approach the school.
Each student would receive a personalised bill subsequently.

Funding Support for Singapore Citizen (SC) Students

- For SC students whose family's monthly income is:

$\$2,750 < \text{Gross Household Income (GHI)} \leq \$4,000$, or

$\$690 < \text{Per Capita Income (PCI)} \leq \$1,000$

the school will subsidise 30% of device bundle cost or \$200, whichever is lower.

- The remaining amount will be payable from the students' Edusave account. If there is insufficient balance in the students' Edusave account for the remaining amount, school will provide additional subsidy so that the cash out-of-pocket (OOP) is not more than \$50.

Funding Scenario: Student B (SC)

**Acer Chromebook
Spin R752TN
\$490.00**

Student B (Non MOE-FAS SC from lower income family) \$2,750 < GHI ≤ \$4,000 or \$690 < PCI ≤ \$1,000	
Device Bundle Cost	\$490.00
Student Subsidy	\$147.00
Available Edusave Balance <i>(After setting aside for 2 tier misc fees)</i>	\$200.00 before deduction \$200.00 will be deducted
Additional Subsidy	\$93.00
Cash Out-of-pocket	\$50.00

For more details on financial assistance, please approach the school.
Each student would receive a personalised bill subsequently.

Funding Support for Singapore Citizen (SC) Students

- SC students whose family's monthly Gross Household Income (GHI) > \$4,000 or monthly Per Capita Income (PCI) > \$1,000, no subsidy will be provided.
- Parents/Guardians can use their child's/ward's Edusave or cash to defray the device bundle cost.

Funding Scenario: Student C (SC)

**Acer Chromebook
Spin R752TN
\$490.00**

Student C (Not Eligible for Subsidy) GHI > \$4,000 or PCI > \$1,000	
Device Bundle Cost	\$490.00
Available Edusave Balance <i>(After setting aside for 2 tier misc fees)</i>	\$200.00 before deduction \$200.00 will be deducted
Cash Out-of-pocket	\$290.00

For more details on financial assistance, please approach the school.
Each student would receive a personalised bill subsequently.

What's Next?

Letter to Parents for PDLP Procurement

Time Frame	Activity
17 Jan 2022	Brief students on Personal Learning Device
17 Jan 2022	<p>School to issue Letter to Parents for PDLP Procurement via Parents Gateway.</p> <p>A link to the PDLP procurement form will be provided. Singpass login is required to access the form.</p> <p>Parents/Guardians without Singpass and are not onboard Parents Gateway will receive hardcopy letter.</p>

PDLP Procurement Form

- **Parents with Singpass** can access the PLD Procurement Form to indicate your consent via the link provided in the letter to parents.
- Ensure the child's/ward's particulars (Name, Class, NRIC) are entered correctly.
- Parents/Guardians are required to provide their personal email address to be provisioned with the DMA Parent's Account.

For Singapore Citizens (SC) Students

Time Frame	Activity
31 Jan 2022	Parents/Guardians to submit online form / hardcopy form which includes the following: <ul style="list-style-type: none">• Intent to purchase• Use of Edusave• Collection of PLD
Term 2 2022 (Date to be confirmed)	Collection of devices by students.

For Permanent Residents / International Students

Time Frame	Activity
31 Jan 2022	Parents/Guardians to submit online form / hardcopy form which includes the following: <ul style="list-style-type: none">• Intent to purchase• Collection of PLD
Feb 2022	Parents/Guardians to make payment via Giro/PayNow/Cheque/SAM. Refer to school bill for payment due date.
Term 2 2022 (Date to be confirmed)	Collection of devices by students.

Collection of Devices

Your child/ward will be collecting his/her device in school from Term 2 2022. Exact date to be confirmed.

If you would like to verify the condition of the device during collection with your child/ward:

- You may arrange to collect the device **at the contractor's service / collection centre*** or appoint an adult proxy to do so.
- Your child/ward would need to bring the device to school and arrange for the school's IT department to install the DMA.

Please approach the school for further advice or clarification if you would like to make this arrangement.

* Parents/Guardians (or adult proxy) will **not** be able to collect the PLD from the school.

Blended Learning (BL) Day

Blended learning serves to provide a **more seamless blend of different modes of learning (ICT and non-ICT modes)** for students.

A specific timetable will be planned out for BL days and more instructions will be given to the students.

All the dates of Blended Learning Day have been stated in student's handbook under calendar of events. Please note the following changes.

Dates	Events
27 January 2022	Blended learning day (Sec 2 to 5) (Sec 1 to 5)
14 February 2022	Blended learning day (Sec 2 to 5) (Sec 1 to 5)
